I completed four tasks as an intern given by the Kshitiksha Foundation. The first task was to fund raise an minimum amount of 201rs. for the women empowerment and other three task was to write a appealing content for the betterment of social causes.

Product Marketing
Acmegrade, Virtual
Internship • Mar 2024 - Present (2 months)

Working as a Campus ambassador for Acmegrade, a edutech company in India. My job is to collect as many students possible for the internship program at Acmegrade and make them register for it by contacting them and sharing all the details briefly.

POSITIONS OF RESPONSIBILITY

I was the CR of my section during my 1st year of engineering so I learnt some leadership skills and speaking skills through that and also lead a team in the tech events of our college and won many prizes and certificates.

TRAININGS

Data Science
Acmegrade, Online
Jan 2024 - Mar 2024

Completed my first 2 months internship program on Data Science domain through Acmegrade. I sincerely attended all the live classes on time and completed my projects and submitted it within time limit. I was given 2 projects as a part of the internship program and I was able to meet their expectations by submitting both html and python files of those projects. Atlast, I got my both Internship Completion certificate and Training Completion certificate at the end of the Internship program.
